BACK THIS APRIL

ROUND THREE.

Texas Lawyer Rumble is back for year three, and this year we're bringing the strategy on both sides of the practice — not just what happens in the courtroom, but what happens behind the scenes at the firm.

DAY ONE · IN THE COURTROOM

Thursday is built for the lawyers doing the arguing: trial strategy, the science of persuasion, courtroom storytelling, and the best practices that make the difference in front of a jury.

DAY TWO · RUNNING THE FIRM

Friday shifts to the business behind the practice: marketing that brings in cases, intake that converts, technology that saves your team hours every week, and the systems that let a firm scale. We're excited to bring together heavy hitters from across the legal industry, with firms joining us from Texas and the surrounding states.

Whether you're signing 50 cases a month or 5,000, the strategies you walk away with here can change the way you run your firm for good.

Sponsor Lawyer Rumble and you're face-to-face with the people running Texas's personal injury firms — attorneys, owners, and operators alike — evaluating new tools, platforms, and partners right when they're actively looking.
